If all the addressing information on the label is correct, please attach the label to the income tax form and print or type your social security number(s) in the spaces provided. Enter your county of residence and the correct number of the public school district in which you reside.

Why would I check myself as a non-obligated spouse?

If your spouse owes the state of Missouri any child support payments, back taxes, student loans, etc., you may want to check this box. By doing so, Missouri will not use your portion of any refund to pay those amounts owed by your spouse.

The non-obligated spouse apportionment applies only to state agencies. The Internal Revenue Service is not a state agency and debts owed to the IRS are excluded from the non-obligated spouse apportionment.

Who is eligible for the property tax credit?

If you meet any of the following qualifications, you are eligible for the property tax credit. Mark the qualification that makes you eligible for the property tax credit and make sure you complete Lines 23 through 33 to figure your credit. (If you are not eligible, skip Lines 23 through 33.) To be eligible for the tax credit, one of the following qualifications must apply to you.

- A. You or your spouse must be 65 years of age or older as of December 31, 2000. Also, you or your spouse must have been a Missouri resident for the entire 2000 calendar year. If claimant would have otherwise qualified for a property tax credit and would have been a resident for the entire 2000 calendar year, but died before the last day of the calendar year, the claimant would still qualify for the credit for 2000.

OR

- B. You may also qualify for this credit if you or your spouse is a veteran of any branch of the armed forces of the United States or this state and you or your spouse became 100% disabled as a result of such service. **Note:** You must enclose a copy of the letter received from the Department of Veterans Affairs that states your qualifications as a 100% service connected disabled veteran. This letter must state, **"To be filed with Property Tax Credit Claim."**

OR

- C. If you are under age 65, you may qualify for the credit only if you are disabled as defined in Section 135.010(2), RSMo. **Note:** Rent must be paid by the claimant.

A claimant is not required to be gainfully employed prior to such disability.

Disabled Verification. If you are under age 65, a doctor must certify that you are disabled by completing Federal Form 1040, Schedule R Instructions, page 4 or Federal Form 1040A, Schedule 3 Instructions, page 4. You may also verify you are disabled by enclosing a copy of Form SSA-1099, a letter from the Social Security Administration providing the date of disability or a copy of your Medicare card (not Medicaid card). **Note:** Minor children (under age 18) do not qualify.

OR

- D. You must be 60 years of age or older as of December 31, 2000, (born before 1941) and received surviving spouse social security benefits during 2000. You must enclose a copy of Form SSA-1099.

Why do my spouse and I have to split our income on the Missouri tax form?

It is to your benefit to split the income between you and your spouse. It reduces the rate at which your combined incomes are taxed.

What was my income on my 2000 federal return?

The combined income for you and your spouse must equal the income you reported on your federal return. To help split the income, a worksheet has been provided on page 5. Don't forget to complete the worksheet before you begin the form. This will give you the answer you need.

Can I subtract my state tax refund?

You can subtract the state income tax refund that is included in your federal adjusted gross income (Federal Form 1040, Line 10). (You must have itemized your deductions last year to have an amount included on Federal Form 1040, Line 10.)

If you claimed the standard deduction on your federal return, you must also claim the standard deduction on your state return. **But**, if you or your spouse marked any of the boxes for 65 or older or blind, please see your federal return for your standard deduction amount.

	Married Filing A Combined Return or Qualifying Widower	Head of Household	Married Filing Separate
Single			
\$4,400	\$7,350	\$6,450	\$3,675

SPLITTING YOUR INCOME

Looks like you are ready to go! Do you have a copy of your 2000 federal return? You will need it to complete this worksheet. If you are married filing combined, complete this worksheet before you begin the Income section of the tax form. The chart provides you with specific line numbers that make it easy for you to locate this information on your federal return. When you have finished this worksheet, take the numbers from Line 18 and place them on Line 1 of the tax form.

For each type of income, enter the part of the total that is yours in the "Yourself" column and your spouse's part in the "Your Spouse" column. The following items are special points to keep in mind.

- Taxable social security benefits must be split between each spouse according to their percentage of gross social security benefits received for the tax year times Line 14b of the Federal Form 1040A or Line 20b of the Federal Form 1040.

on Form MO-1040P.**

How do I figure my tax?

If your Missouri taxable income is less than \$9,000, use the tax table on page 3 of the tax form. If the Missouri taxable income is over \$9,000, then subtract the \$9,000 from your Missouri taxable income and multiply the difference by 6%. **This figure should be added to \$315 and placed on Line 16. Repeat this process for your spouse.**

What are estimated tax payments?

Estimated tax is a method used to pay tax on income that is not subject to withholding. This includes income from self-employment, interest, dividends, alimony, rent, capital gains, prizes, awards and some pensions/annuities and Individual Retirement Accounts (IRAs). Quarterly estimated tax payments are due April 15, June 15, September 15 and January 15.

What is the pharmaceutical tax credit?

The Missouri Legislature passed a law which gives taxpayers a credit or refund of up to \$200 for the purpose of offsetting the cost of legend drugs (prescription drugs). To qualify for the credit, you must have been 65 years of age or older December 31, 2000, and a Missouri resident. (If you and your spouse were both age 65 or older, you each qualify for the credit.)

The credit amount is \$200 or the amount of your prescription expenses, whichever is less. You do not qualify for the credit if you received full reimbursement from Medicaid or Medicare or you were a resident of a local, state or federally funded facility. (If you did not have any pharmaceutical expenses, enter zero (0) on Line 21. If Line 21 is left blank, the department will assume you had no expenses.)

If your Missouri adjusted gross income (Line 3) is more than \$15,000, you must reduce your credit by \$2 for every \$100 your income exceeds the limit. If your credit amount is \$200, but must be reduced because your Missouri adjusted gross income is more than \$15,000, the chart located on page 4 of the return will help you figure your credit. (If you have \$25,000 of income or more, you will not qualify for a credit.)

How is the property tax credit or refund figured?

Your real estate tax or 20% of your rent paid is compared to your total income to arrive at a credit amount or an amount refundable to you. (The maximum amount of credit or refund is \$750.) This section will guide you through the process of totaling your household income and arriving at an amount of rent or real estate tax that may be credited or refunded. Once you have totaled your income and your tax or rent, you simply apply the two numbers to the chart in this book to get your total credit or refund. (If you did not meet any of

the qualifications listed on the front of Form MO-1040P, you may skip this section.)

Why do I have to list my social security benefits?

The property tax credit is based on total household income rather than Missouri adjusted gross income. Some household income may not be taxable, so to figure your credit you have to add income not included in your Missouri adjusted gross income. Enter the total portion of your social security benefits that are not already included as taxable on Federal Form 1040A, Line 14b or Federal Form 1040, Line 20b. If none of your social security benefits were taxable on your federal return, enter your total social security benefits. Enclose Form SSA-1099(s) with your return.

Why do I have to include veteran's payments and benefits?

If you are a 100% service connected disabled veteran, you are not required to list veteran's payments and benefits. If you are the surviving spouse of a 100% service connected disabled veteran, all of the veteran's benefits must be reported. (Veteran's payments and benefits include education or training allowances, disability compensation, grants and insurance proceeds.)

What is a nonbusiness loss and why do I have to add it to household income?

A nonbusiness loss is a loss of income that did not result from a trade or a business. (Losses from Federal Form 1040, Schedule F are considered business losses.)

If you included nonbusiness losses on Form MO-1040P, Line 1, enter the amount of the loss on Line 26. (Section 135.010.4(d), RSMo, provides that no deduction shall be allowed for losses not incurred in a trade or a business. As a result, if you have claimed a loss and it is not a business loss, it must be added back into your household income for purposes of figuring your credit.)

How do I know if I need to reduce the amount of real estate tax for my property tax credit?

You may enter the total amount of city and county real estate tax you paid (excluding special assessments such as sewer lateral tax and parks/trafficway tax) unless any of the following apply to you.

You **MUST REDUCE** the amount of real estate tax that you paid if:

- Your residence includes more than five (5) acres. You are limited to the taxes paid on your home, and up to five (5) acres. If you have more than five (5) acres, you must enclose Form 948, Assessor Certification, from your county assessor's office.

- You own a mobile home. (Only include the portion of tax on your receipt that applies to your mobile home. Include Form 948, Assessor Certification.)
- You use part of your home for rental or business purposes. (Enter the percentage you use as your home.)
- You shared your home with relatives and/or friends. (Enter the appropriate percentage that you occupied.)

Use the worksheet below to help you reduce your tax if necessary.

Enclose copies of 2000 real estate tax receipts stamped paid to verify real estate tax claimed on Line 30.

Use the table on page 11 and compare the amount of your total real estate tax and/or rent (Line 32) to your net household income (Line 29). Use the table to determine your credit amount. (Examples are provided on the table.) The maximum credit amount is \$750.

Why would I want to apply any or all of my refund to next year's taxes?

You may reduce the amount of tax you may have to pay with next year's Missouri return.

What are my payment options?

You can enclose a check or money order (U.S. Funds only) for the total amount due, payable to: Missouri Director of Revenue. Please do not post-date checks; they will be cashed upon receipt. Payments must be postmarked by **April 16, 2001**. If you have an amount due, you can pay by credit card, regardless of when you file your return, but the balance due must be paid by the due date to avoid additions to tax and interest. FREQUENTLY ASKED QUESTIONS OF THE MISSOURI ITEMIZED DEDUCTIONS

How much of my rent can I include to figure the property tax credit?

You may include your total rent paid for the home you occupied during 2000. You will multiply this amount by 20% (.20) to determine your allowable rent equivalent to real estate tax paid. Complete and enclose one Form MO-CRP, Certification of Rent Paid for each rented home occupied. Enclose a copy of your 2000 rent receipt(s) from your landlord (including the housing authority, nursing home or residential care facility). The landlord must sign the receipt and include his/her tax identification number or social security number. Copies of cancelled

What can I include in my Missouri Itemized Deductions?

You may include the items that are in your federal itemized deductions, except state income tax. You may also include one-half of your self-employment tax and your withholdings for social security tax, Medicare tax and railroad retirement tax reported on your Form W-2(s). However, if your withholding for social security and/or railroad retirement exceed the maximum, the excess amount may not be included. A cultural contribution is provided for an approved literary, musical, scholarly or artistic composition. **Monetary contributions do not qualify.**

Why do I have to subtract my state taxes from my itemized deductions?

The state of Missouri allows a deduction for the federal tax you pay. The state tax is included in your federal itemized deductions and it cannot be included in your Missouri itemized deductions.

Why should I complete this worksheet?

If your federal adjusted gross income is more than \$128,950 (\$64,475 if married filing separate) your federal itemized deductions were reduced. You should complete the worksheet to be sure you only subtract the amount of state and local tax you were allowed on your federal itemized deductions. Failure to complete the worksheet may result in you paying too much tax.

LINE-BY-LINE INSTRUCTIONS FOR THE MISSOURI ITEMIZED DEDUCTIONS

- **You must enclose a copy of your Federal Form 1040 and Federal Schedule A with your Missouri return if you itemize your deductions.**
- **You cannot itemize your deductions if you took the standard deduction on your federal return.**

LINE 1 — FEDERAL ITEMIZED DEDUCTIONS

Enter the amount from Federal Form 1040, Line 36 on Line 1. Include on Line 1 your approved cultural contributions (literary, musical, scholastic or artistic) to a tax exempt agency or institution that is operated on a not-for-profit basis.

Cash contributions do not qualify. Contact the department at (573) 751-5746 to verify your contribution qualifies.

LINES 2 AND 3 — SOCIAL SECURITY TAX (FICA)

Enter in the first box on Line 2 the social security tax **you** paid in 2000, from the social security tax withheld box on your 2000 Form W-2(s), (not to exceed \$4,724). Enter in the second box on Line 2 the Medicare tax **you** paid in 2000, from the Medicare tax withheld box on your 2000 Form W-2(s). Enter the total of these two boxes on Line 2. Repeat these steps using **your spouse's** information and enter on Line 3.

LINES 4 AND 5 — RAILROAD RETIREMENT TAX

Enter in the first box on Line 4 the railroad retirement tax, Tier I and Tier II, that was withheld from **your** wages during 2000 (not to exceed \$7,502). This amount includes a Tier I maximum of \$4,724 and Tier II maximum of \$2,778. Enter in the second box on Line 4 the Medicare tax **you** paid in 2000. Enter the total of these two boxes on Line 4. Repeat these steps using **your spouse's** information and enter on Line 5.

Note: If a person has both FICA and railroad retirement tax, the maximum deduction allowed is the amount withheld as shown on the Form W-2(s) less, either the amount entered on Federal Form 1040, Line 61, or, if only one employer, the amount refunded by the employer.

LINES 6 AND 7 — SELF-EMPLOYMENT TAX

Enter in the first box on Line 6 the self-employment tax **you** paid in 2000 from the Federal Form 1040, Line 52. Enter in the second box on Line 6, **your** portion of the amount of self-employment tax deducted on Federal Form 1040, Line 27. Subtract the second box from the first box and enter the difference on Line 6. Repeat these steps using **your spouse's** information and enter on Line 7.

Note: The state and local tax you claim on your federal itemized deductions must be subtracted from Missouri itemized deductions. Because at the federal level your itemized deductions are reduced if your income is greater than \$128,950 (\$64,475 if married filing separate), you need to complete this worksheet so that you subtract only the amount of state and local tax you were allowed on your federal itemized deductions. **Do not complete Lines 9 and 10.** If you don't complete the worksheet (and you should complete it) your Missouri itemized deductions will be lower than they should be, and you'll pay too much tax!

WORKSHEET, LINE 9

Included in the Federal Revenue Reconciliation Act of 1990 was a provision that required individuals with federal adjusted gross income over certain income thresholds to reduce the amount allowable for federal itemized deductions by 3% of the excess over that threshold (26 USC 68). Certain deductions, such as medical expenses, investment interest and casualty, theft or wagering losses are not subject to this reduction. For 2000, the threshold is income over \$128,950 (\$64,475 if married filing separate).

LINE 10 — EARNINGS TAXES

Enter on Line 10 the amount of any Kansas City and St. Louis earnings taxes that are included in Line 9.

LINE 11 — NET STATE INCOME TAXES

LINE 12 — MISSOURI ITEMIZED DEDUCTIONS

Subtract Line 11 from Line 8 and enter the result on Line 12, and on front of form, Line 8. If this amount is less than the federal standard deduction (see federal income tax form instructions for amount), then you should enter the standard deduction amount on front of form, Line 8, unless you were required to itemize your deductions on your federal return. If you were required to itemize your deductions on your federal return, you must enter the amount from Line 12 on the front of the form, Line 8.

Each recipient's total pension exemption cannot exceed \$6,000. **If you qualify for both a government pension exemption and a private pension exemption, your combined total exemption cannot exceed \$6,000.**

LINE 10 — TOTAL

Add Line 9Y and Line 9S and enter the total on Line 10.

LINE 11 — TOTAL PENSION EXEMPTION

Subtract Line 5 from Line 10. Enter the total on Line 11 and on Form MO-1040P, Line 11. Your exemption must be reduced by the amount your income exceeds the limitations. For example, if you are single and your modified Missouri adjusted gross income (Line 3) is \$26,000, Line 5 would be \$1,000. If your total (Line 10), is \$4,000, your total pension exemption would be \$3,000 (Line 10 minus Line 5). If a negative number is calculated, enter zero (0). **(Your total pension exemption cannot exceed \$6,000; \$12,000 if filing combined and both you and your spouse have pensions.)**

GENERAL INFORMATION

2000 MISSOURI SCHOOL DISTRICT NUMBERS

Your Missouri school district number **must** be entered on your income tax return. This information is supplied to the State Department of Elementary and Secondary Education and is used in determining the amount of state aid to your school district.

Enter the number of the **public school** district where your residence is located.

The Missouri **public school** district names and numbers are listed alphabetically by school district name. Generally, the name of your **public school** district is also the name of the city, town, or village where your **public school** is located.

Do not write the name of the school district on the return. Enter only the number of the district in the following list. For example:

1. All **public schools** located in the City of Columbia are in "Columbia 93" School District, and No. **"098"** should be entered in the spaces provided.

2. All **public schools** located in the City of Springfield are in "Springfield R-XII" School District, and No. **"475"** should be entered in the space provided.

The following should be considered in determining your public school district number.

1. **Determine your public school district at the time of completing your return.**
2. If you live in one school district and work or have a permanent or temporary mailing address in another, enter the district number where you live.
3. If you are in military service or a student temporarily living and working away from your permanent residence, enter the district number of your permanent residence.
4. If you were a part-year resident of Missouri, enter the school district number of your residence while living in Missouri.
5. If you are a "nonresident" of Missouri, your school district number is **"347"**.

If you are unable to determine your school district number from these instructions, call the public elementary or public high school of your school district.
